

# Hostel Accommodation Options

NATA Crash Course 2020

---

Dear Students/Parents,

We are aware that a big percentage of our students come from outside of Pune to attend our NATA Crash course. A lot of queries have been raised for the accommodation this year i.e., 2020. As of now, ARH Design Academy do not provide any official hostel for such students.

Nonetheless, in a response to such queries, we are providing you a list of Boys and Girls hostel near our **Kothrud Campus** for your convenience. The basic information such as Location, deposit, Rent and mess facility are mentioned. You can choose any hostel from the list or any others which are not in the list if you have any reference.

Please note that these are NOT the official hostel and/or mess facility by ARH Academy, but just a list of hostels nearby. ARH Design Academy is not responsible for any of the hostel facilities, management and services and decision to get accommodation in any of the hostels is sole responsibility of students and parents.

Regards
